

HIRING OPPORTUNITY: CITY OF WATERTOWN

DEPARTMENT: Water Department

POSITION TITLE: Senior Engineering Technician

SALARY RANGE: \$47,312 - \$59,350

THIS IS A COMPETITIVE CIVIL SERVICE POSITION.

PLEASE NOTE: This is a competitive title in the classified civil service. Appointment will be on a **provisional** basis only. To be eligible for permanent status, the individual accepting appointment will be required to pass a civil service exam and score among the top three.

DISTINGUISHING FEATURES OF THE CLASS: This is the second level of the Engineering Support series and is responsible for performing all aspects of project specifications and designing to support the engineering department and development of City projects. Responsibilities may include surveying project sites to develop specifications and project layout; coordinating contract workers and vendors to complete projects; inspecting construction and materials; designing project sites using computer aided design; and reviewing plans to ensure they meet specifications. The incumbent does related work as required.

MINIMUM QUALIFICATIONS:

- (A) Graduation from a regionally accredited college or university or one accredited by the NYS Board of Regents to grant degrees with a Bachelors' Degree or higher in engineering or closely related field; or
- (B) Associate's Degree in engineering or closely related field and two (2) years of experience in GIS, drafting, surveying or related engineering field; or
- (C) An equivalent combination of training and experience as defined by the limits of the above

DRIVER'S LICENSE REQUIREMENT:

Must possess and maintain a valid NYS driver's license.

HOW TO APPLY: Apply through the online portal: <https://watertown-portal.mycivilservice.com/jobopps>

APPLICATION DEADLINE: Position will remain open until filled.

Email civilservice@watertown-ny.gov for a complete job description.
